

Barn Wall Project

After watching the video *Animal Farm* you will be divided up into small groups to write down the rules your group would like to have for your farm or small village. There is no minimum number of rules; however, you must take this project seriously. Your grade for this project will be based on your positive participation in class and your write-up.

Someone from your group will type a write-up comprised of: 1) a list of your rules 2) a paragraph explaining why you chose the rules you did, and why excluded others. This write-up must be typed. Only one person per group has to type this write-up and turn it in to the teacher with the names of all the members of your group. Remember, this project is for credit and if the person chosen to type this write-up does not turn it in, or turns it in late, you will all be penalized. There will be 10 points deducted for every day it is late.
